

VIA HAND DELIVERY March 11, 2003

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

In re application of: Dixit et al.

Art Unit: Not Yet Assigned

Application Serial No.: 09/961,201

Examiner: Not Yet Assigned

Filed: September 24, 2001

Attorney Docket No.: PF335D2

For: INTERLEUKIN-1  $\beta$  CONVERTING ENZYME LIKE APOPTOTIC PROTEASE-6

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON  
FAILURE TO RECEIVE OFFICE ACTION**

Attention: Office of Petitions  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Pursuant to M.P.E.P. 711.03(c)II and 1156 OG 53 (November 16, 1993), Applicants hereby petition for withdrawal of the presumptive holding of abandonment of the above-identified application. The application became abandoned for failure to respond to a Notice to File Corrected Application Papers dated October 23, 2001 (attached as Exhibit A), which Applicants' representatives did not receive until after the expiration of the period for response. No formal Notice of Abandonment has been received from the Patent Office to date.

Applicants enclose herewith: (1) Exhibits A-D; (2) Response To Notice To File Corrected Application Papers and Preliminary Amendment; (3) a Substitute Specification (75 pages); (4) a Substitute Sequence Listing in paper and computer readable forms; (4) a Statement Under 37 C.F.R. §1.821(f); (5) a Version With Markings To Show Changes Made; and (6) a Fee Transmittal Sheet.

Applicants did not receive the aforementioned Notice to File Corrected Application Papers mailed on October 23, 2001, as evidenced by the daily mail log<sup>1</sup> of Applicants'

<sup>1</sup> No mail log exists for Nov. 16, 22, and 23. Mail from Nov. 16 was recorded on the next business day, Nov. 19. On November 22 & 23 Human Genome Sciences was closed for Thanksgiving.

representatives from October 23, 2001 to November 27, 2001, attached as Exhibit B.

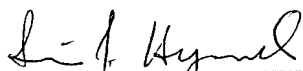

Applicants note that during the above-mentioned time period mail was lost or irradiated by the U.S. Postal Service because of possible contamination with anthrax. Applicants filed a Status Inquiry on January 28, 2003. Copies of the Status Inquiry and date-stamped card are attached as Exhibit C. In response to Applicants' Status Inquiry, the Patent Office mailed a courtesy copy of the Notice to File Corrected Application Papers on February 6, 2003. A copy of the Cover Letter for Resending Correspondence is attached as Exhibit D.

Applicants did not timely reply to the Notice to File Corrected Application Papers because Applicants' representatives did not receive and were unaware of the Notice until the period for response had already lapsed. The undersigned has reviewed the file jacket and the mail log during the relevant time period (Exhibit A) and confirms that said Notice was not received prior to the February 6, 2003 response to Applicants' Status Inquiry of January 28, 2003. Thus, Applicants believe that all requirements to grant this petition have been satisfied, and respectfully request that prosecution of the above-identified application be resumed.

It is belived that no fee is required for entry and consideration of this petition. However, the Commissioner is hereby authorized to charge payment for any required fees in connection with this Petition to Deposit Account No. 08-3425.

Respectfully submitted,

Date: 11 March 2003
